HUSKY HAPPENINGS

Huskies (1st-5th graders) work on their critical thinking and problem solving skills as they conduct science experiments while exploring aspects of the scientific method! Our teaching goals include a continued focus on the above skills and the creation of more exclusive Top Dog fun! (4th-5th graders)

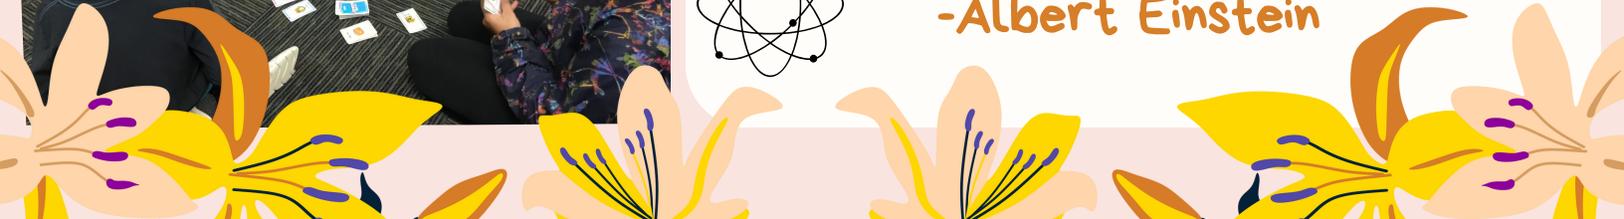

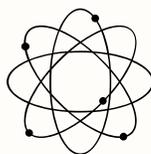

Exciting Upcoming Activities:

- **Maker Space: Instruments**
- **Dramatic Play: Detective**
- **Skittle Science: Water Stratification**
- **Craft: Spring Flowers**
- **Top Dog Walking Field Trip Wednesday, 4/24 more info to follow**
- **Top Dog Hangout & Film planned for Thursday, 4/25**

"Creativity is intelligence having fun."

-Albert Einstein

HUSKY PUPS IN ACTION & APRIL THEMES

Our TK and K group themes this month are Earth Appreciation for social emotional development and the Ocean Habitat.

Our group will explore the wondrous world that exists in the ocean! While discussing the ocean and its inhabitants, we will collaborate on our own ways to help protect the ocean and Earth from pollutants .

Husky Pups extend our practice of sight words by creating mini-books using full sentences and imagination. We will also continue working together on respecting each others' boundaries by listening to words and paying attention to body language.

Exciting Upcoming Activities:

- Dramatic Play: Fishing
- Ocean in a Bottle
- Dramatic Play: Recycling Center
- And much more!
